## What is Universal Health Care & Why Should You Care?

+++++

**Saturday, October 27<sup>th</sup> @ 5 pm**

+++++

Join us for an informative discussion about universal healthcare. Our presenters are from the group “Health Care for All Oregon.” CUCC will go through a process to decide if we want to join other UCC congregations in our conference and pass a resolution in support of universal health care in Oregon. Feel free to invite your friends and neighbors to this important event.
